
tell me

Tell me how to believe
To the light through the darkness
Tell me how to forgive
People that brought us sadness

Tell me what is it being alive
If I can't get out of my sorrow
Tell me what is it to survive
If care no more for tomorrow

Tell me why I'm surrounded by lies
Hypocrisy and faking smiles
Tell me why through my eyes
Deception and loneliness are just mines

Tell me that I have enough innocence
To trust still in my dignity
Tell me that although my silence
I am not that guilty

it's so beautifull

Tell me what is it being alive
If I can't get out of my sorrow
Tell me what is it to survive
If care no more for tomorrow
